

Article-No.: **L6395EO**

Sliding door 140 cm

Synergy sliding door, reversible, made of clear safety glass (8 mm). Horizontally adjustable (25mm) profile to compensate for uneven walls. Combine the enclosure with the Synergy fixed side wall. For more information - see the IS 2020 Price list. Recommended accessories: Use Synergy fixed side panel to create a rectangular shower enclosure.

Colour: EO - Bright Silver
